

Beyond limits: Exterior

Next-gen exteriors: Cover Styl's leap into sustainable innovation

Cover Styl are expanding outdoors with their **EXTERIOR Line**, directly answering your calls for durable yet elegant outdoor solutions. This line perfectly balances longevity and beauty, crafted to meet the diverse needs of outdoor spaces.

These materials brave the sun and rain with ease, promising elegance and resilience for up to 12 years.

It's about making a sustainable choice that lasts and shines. Dive into the **EXTERIOR Line** for enduring finishes and designs that capture attention.

Each of them crafted from Cover Styl's dedication to not only enhance aesthetics but also to positively impact the environment and your projects.

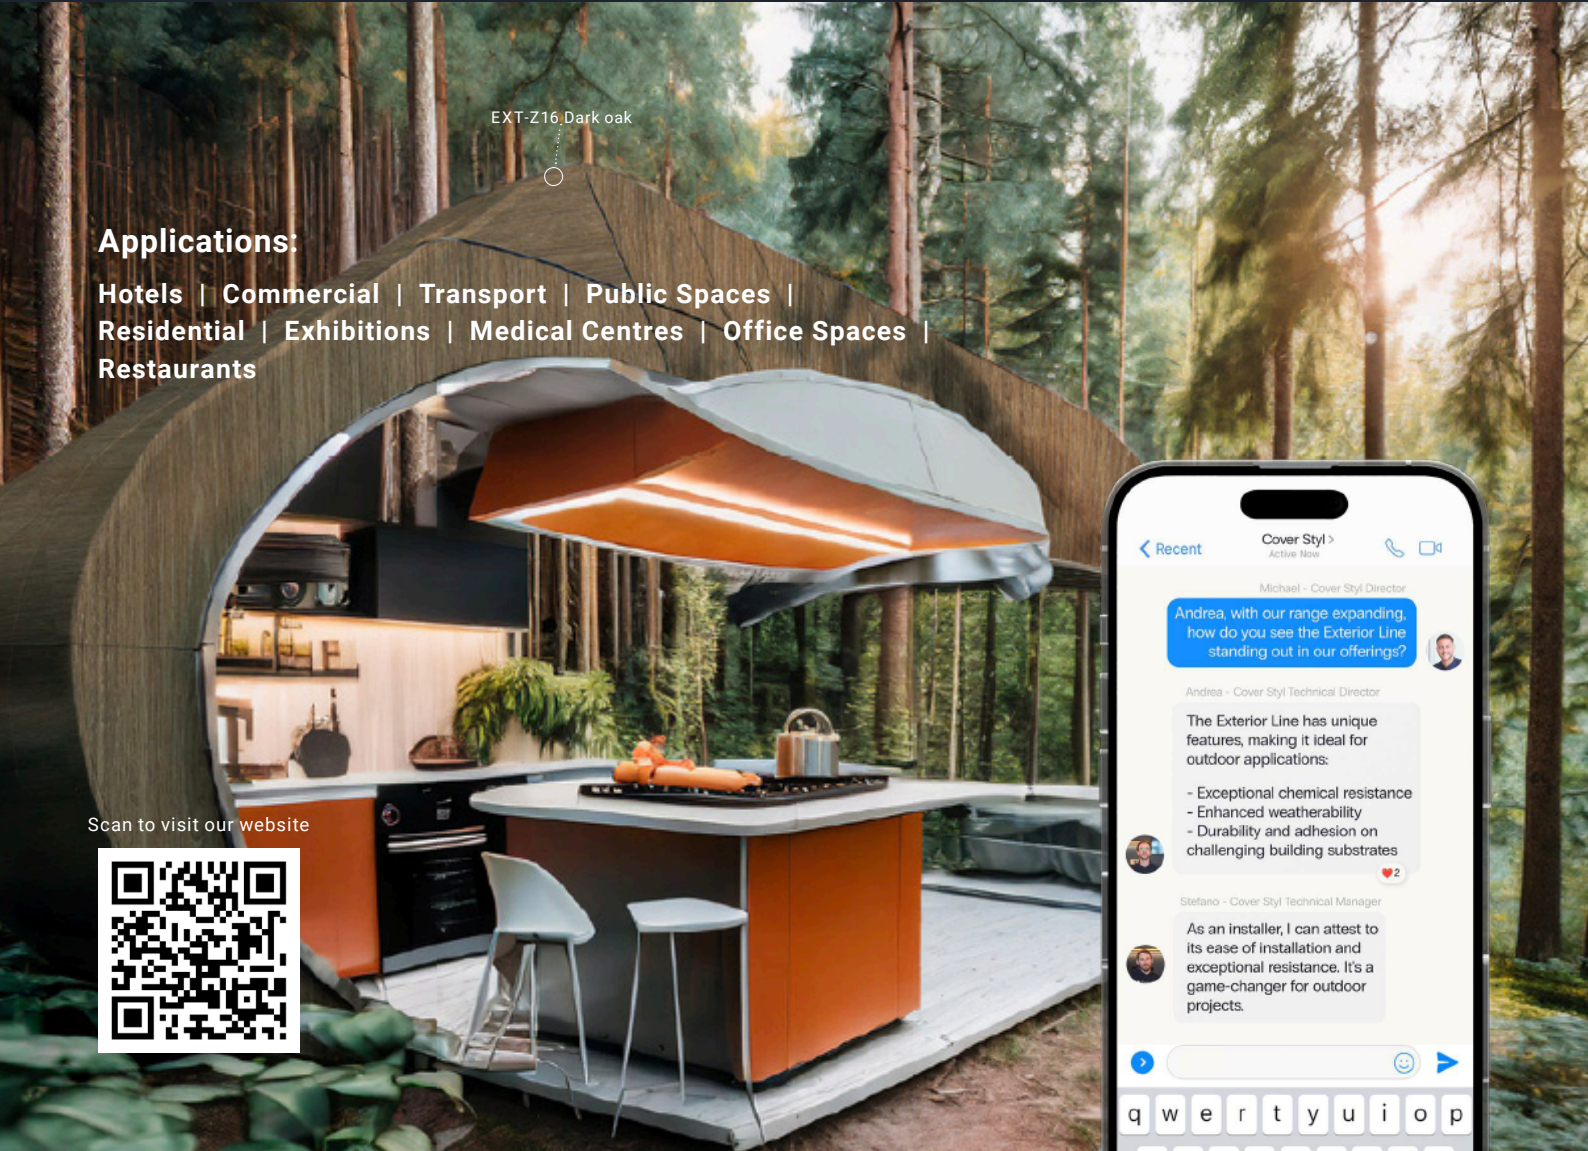

70% of the range is PVC-free, demonstrating Cover Styl's commitment to offering an alternative to standard PVC.
