

Seamless Fin

Seamless Fin Balustrade

Standing out from the crowd has never been easier with Spectrum's new Seamless Fin balustrade. Super contemporary and delivering a wow factor not previously seen in aluminium balustrading, the Seamless Fin is a modern rendition of traditional steel balustrading. Pre-assembled section lengths are only limited by the logistics of transportation and installation.

Features

- Contemporary seamless fin baluster design
- Tough powdercoated finish in your choice of colour*
- High quality T5/T6 aluminium and stainless steel fasteners
- Available to suit a range of substrates
- Designed and made in New Zealand
