 - (c) the name and address of the licensed building practitioner (as defined in section 7 of the Building Act 2004) ("Licensed Building Practitioner") who completed the installation; and
 - (d) the date on which the defect became apparent.

For the avoidance of doubt, Kingspan will not process any claim under this warranty unless the claim includes all of the relevant documents and/or information set out in this clause 6.
7. The warranty is personal to the original purchaser of the Product and is not transferable.
8. The Product must be unaltered, internally stored, handled and installed by or under the direct supervision of a Licensed Building Practitioner strictly in accordance with the relevant Kingspan literature in respect of the Product current at the time of installation. The Product must be installed in conjunction with the components or products specified in the relevant literature.
9. The Product must be installed in accordance with all applicable legal requirements.
10. All other third-party products, including coating and joining systems, applied to, or used in conjunction with the Product must first have been verified by a Licensed Building Practitioner and/or an accredited laboratory as being compatible with the Product, must be applied or installed by a Licensed Building Practitioner, and must be maintained strictly in accordance with the relevant manufacturer's instructions and good trade practice.

11. The project in which the Product is used must be designed and constructed in strict compliance with all relevant provisions of the current New Zealand building code (as defined in section 7 of the Building Act 2004) ("Building Code"), regulations and standards and in accordance with the terms specified in any building consent issued by the local or territorial authority in which the project is being undertaken. If requested by Kingspan, the claimant must provide a copy of the building consent.
12. The claimant agrees to provide information in relation to the installation and/or maintenance of the Product reasonably requested by Kingspan in assessing any claim. Kingspan is not liable under this warranty if the requirements set out in clauses 8 to 11 have not been satisfied.
13. Notwithstanding any other provision contained in this warranty, the claimant's sole remedy for breach of this warranty is that Kingspan will, at its sole discretion, elect to:
 - (a) supply a replacement for the defective Product;
 - (b) rectify the defective Product; or
 - (c) pay the cost of the replacement or rectification of the defective Product.

If a defective Product is repaired or rectified, the original warranty period will continue to apply based on the original date of purchase of the relevant Product.

Subject to clause 2 and to the maximum extent permitted by law, Kingspan's liability for failing to comply with any statutory guarantee (or liability under any other warranty, condition or indemnity that cannot be excluded) is limited in the same manner as set out in this clause 13.
14. The claimant is responsible for its expenses in making any claim against Kingspan under this warranty.
15. If Kingspan determines that a claim is not valid, Kingspan may charge the claimant for any labour, materials or transport costs incurred by it in assessing the claim.
16. Subject to clause 2 and to the maximum extent permitted by law, except as expressly set out in this warranty, Kingspan will not be liable for any losses or damages (whether direct or indirect) including property damage or personal injury, consequential loss, economic loss or loss of profits, arising in contract or negligence or howsoever arising. Without limiting the foregoing, Kingspan will not be liable for any claims, damages or defects arising from or in any way attributable to poor workmanship, poor design or detailing, settlement or structural movement and/or movement of or failure of materials to which the Product is attached, incorrect design of the structure, acts of God including but not limited to earthquakes, cyclones, floods or other severe weather conditions or unusual climatic conditions, normal wear and tear, damage caused by contact with aggressive chemicals, fire and smoke, incompatible metals, immersion in water, growth of mould, mildew, fungi, bacteria or any organism on any Product surface or Product.
17. Subject to clause 2 and to the maximum extent permitted by law, all warranties, conditions (including those under Part 3 (Sale of Goods) of the Contract and Commercial Law Act 2017), liabilities and obligations other than those specified in this warranty are excluded.
18. Any references to statutes or statutory provisions in this warranty include those statutes or statutory provisions as amended, extended, consolidated, re-enacted or replaced from time to time and any orders, regulations, instruments or other subordinated legislation made under them.
