

DURAPANEL™

SMART FENCING
FOR HOMES, POOLS
AND SCHOOLS

Boundaryline DuraPanel tubular metal fencing offers a wide range of options for pool fencing, landscape fencing, schools and childcare centres. With high-quality components and a sleek, cohesive design, DuraPanel complies with all New Zealand pool fencing regulations to keep children safe and to meet council requirements.

Our DuraPanel aluminium range is designed for increased strength and offers great-looking property enhancement and protection at a cost-effective price.

The DuraPanel range of custom-made fencing offers a wide variety of styles and colours to meet specific design requirements for any project.

All DuraPanel fencing is designed to be simple and quick to install, with modular components and welded panels.

Producer statements are available for pool fencing, balustrade, and retaining wall fencing compliance.

WHAT'S GREAT ABOUT DURAPANEL™

- Popular choice for pools and front boundary fences.
- Durable and cost-effective solution
- Very low maintenance
- No rust or corrosion
