

**SINGLE 9W LED SPOTLIGHT
WITH PIR SENSOR**

**TWIN 2x8W
LED SPOTLIGHT**

ECO SPOT ELITE

Single & Twin Security Spotlight

Using innovative dual LED technology, you can select your own light colour temperature between warm white, cool white, and natural white. Optional honeycomb lens is included to restrict glare to neighbouring properties if required.

Suitable for wall mount applications, and with a high waterproof rating to fit to all locations, this reliable modern design will provide style security and safety lighting around your property for many years.

**SINGLE 9W LED SPOTLIGHT
LHT1221 - PIR Sensor
LHT1225 - Standard**

**TWIN 2x8W LED SPOTLIGHT
LHT1219 - PIR Sensor
LHT1223 - Standard**
