| | | | <p>GUT-NR tbc</p> <p>LEED® Product contributes toward satisfying Credits under LEED®.*</p> <p>DGNB modulyss is member of DGNB, the German Sustainable Building Council.</p> |

* For more information, see the modulyss sustainable datasheets. - Remark: Products are not reviewed under LEED®, LEED® credit requirements cover the performance of materials in aggregate, not the performance of individual products of brands. The LEED® green building certification program is the nationally accepted benchmark for the design, construction, and operation of green buildings. For more information on LEED®, visit www.usgbc.org/contact.
