Drumline and Pageantry

In perfect formation, the marching band enters the field and from deep within the pageantry of the night, the drumline delivers its soul-pounding vibrations.

Band pageantry is the art of colorfully costumed performers moving in choreographed formations with lighting and special effects all precisely timed to music. It's a big show! The key is coordinating all the elements—from the boldest action to the smallest details.

Drumline™ and **Pageantry™** follow those cues. Drumline is bold and dynamic. Offered in Carpet Tile only, Drumline brings a big rhythm to the floor. Pageantry, wraps those bold elements in a range of strong neutrals to balance and complement. And because it is available in all the Bentley formats including Carpet Tile, EliteFlex™ 6 ft Cushion, and Broadloom, Pageantry combines with Drumline to cover all types of floors with a true continuity in color and a broad variety of scale and movement.

Hear the whistle blow? Let's march!
