Elevate Boundaries. Defy Design Norms

# CUSTOMISE YOUR SPACE WITH DISTINCTIVE CARPET DESIGNS

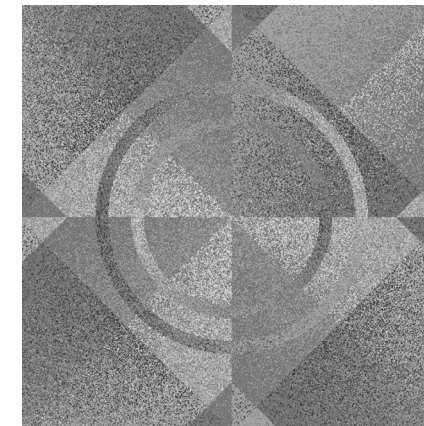

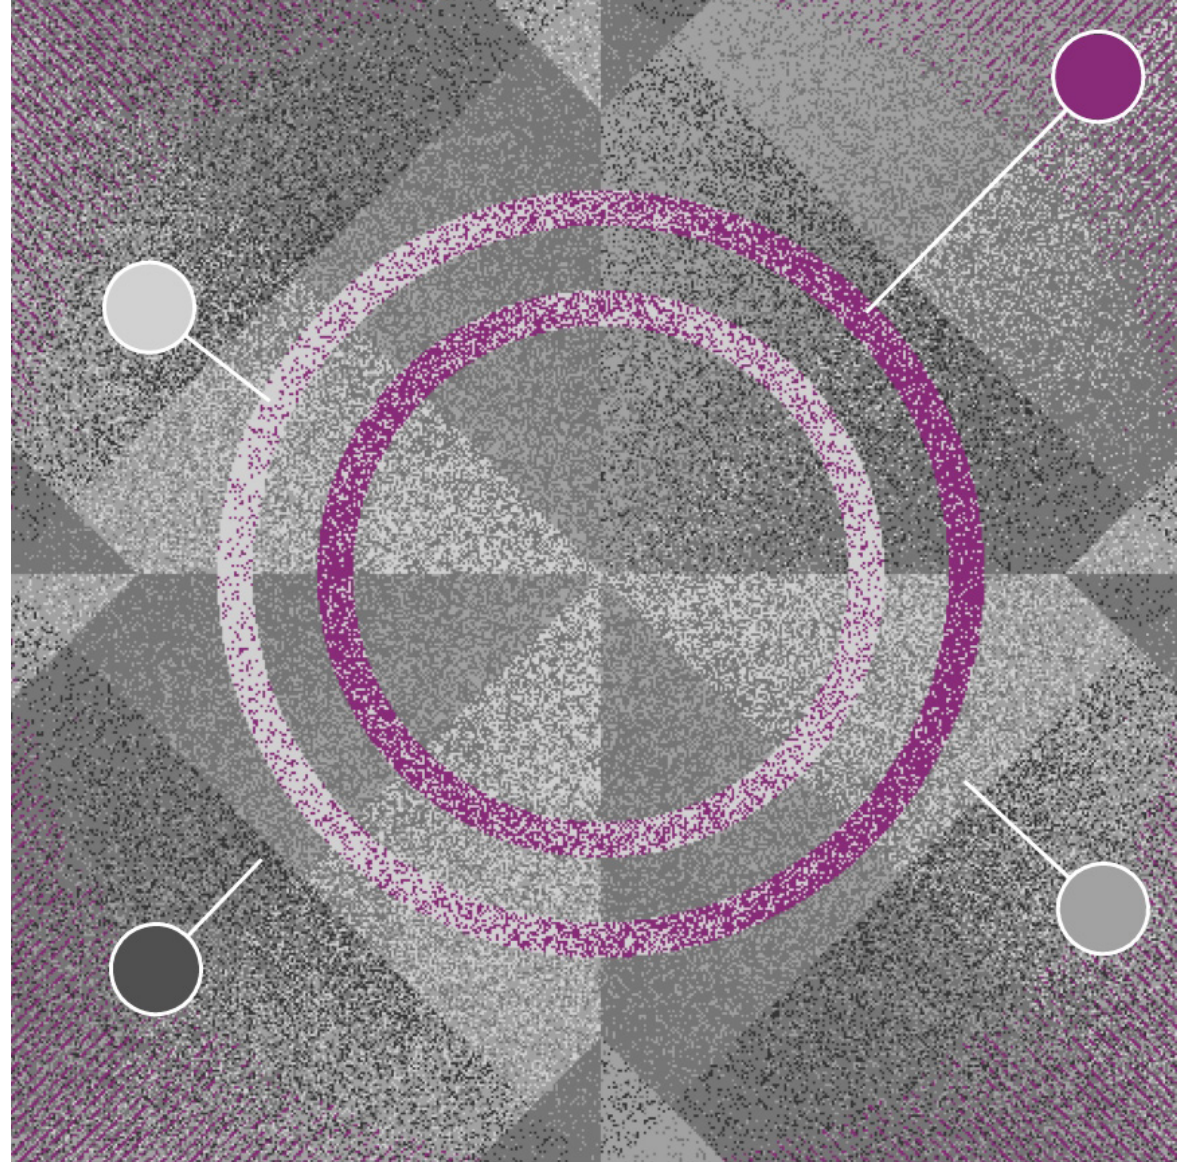

modulyss.com/custom design service

Step away from the ordinary and step into a world of limitless creativity. In a world dominated by conventional solutions, our mission is to defy the norm. We're not just talking about minor adjustments – we're talking about releasing the full force of your imagination. Your clients crave the extraordinary, spaces that resonate with their essence, fuel their creativity, and leave a lasting impression.

Break free from conformity. Shatter the walls of mediocrity. Let the world witness how bespoke flooring can transform the very essence of an interior space.

# ELEVATE YOUR DESIGN VISION

Your interior design speaks volumes about your brand, and flooring plays a pivotal role in defining the ambiance. Carpet flooring seamlessly blends comfort, safety, design flexibility, and durability, making it ideal for diverse commercial projects. Dive into a realm of endless possibilities, where your creativity takes centre stage. Craft tailor-made carpet designs that mirror your style, fortify your brand identity, and establish a profound connection with your clientele.

# DISCOVER THE POWER OF CUSTOM CARPET TILES

[modulyss.com/custom design service](https://modulyss.com/custom-design-service)

Carpet tiles aren't just flooring; they're a canvas for your creativity. Easily create focal points or zones in your space with modular carpet tiles. Perfect for irregularly shaped rooms or spaces with obstacles, these tiles offer easy installation and are preferred in commercial settings. Choose a customised carpet tile design, ensuring your image or graphic aligns seamlessly, presenting the appearance of a wall-to-wall carpet.

# ENDLESS DESIGN POSSIBILITIES

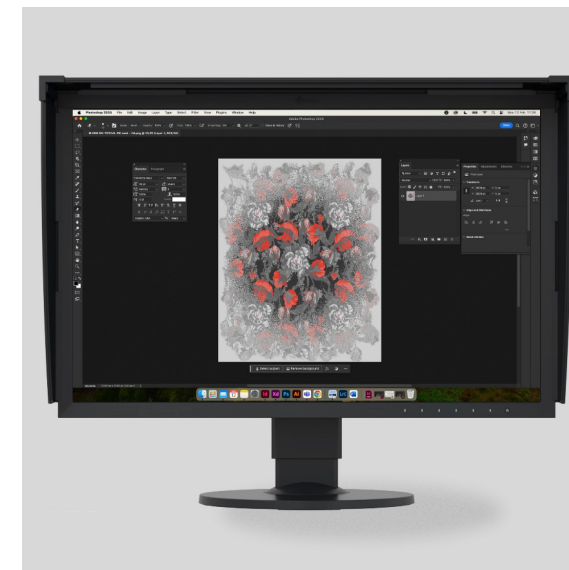

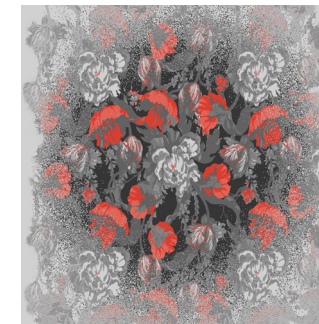

Choosing which design to use for your custom carpet, goes hand-in-hand with choosing the atmosphere you want to create for your spatial design. Opt for professionally crafted graphics to elevate your environment, or choose visuals that reflect your brand identity. The decision is entirely yours.

# CHOOSE YOUR CANVAS FOR CARPET TILE FLOORING

Embark on your bespoke carpet journey by selecting from our base tiles:

**PROMINENT**  
This sophisticated saxony carpet, situated at the pinnacle of luxury, introduces a serene and plush surface, infusing a sense of textile softness into any setting. Saxony carpet is renowned for its dense, even, and straight pile, offering a luxurious feel underfoot. The carpet's top-of-the-range quality not only provides a comfortable and quiet ambiance but also establishes a foundation for a purist style that celebrates beauty through clean lines, premium materials, and meticulous details.

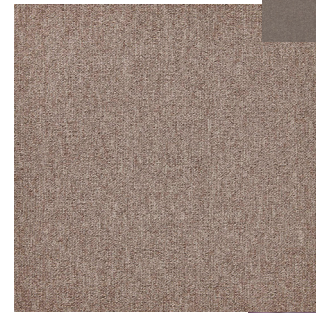

PROMINENT 37

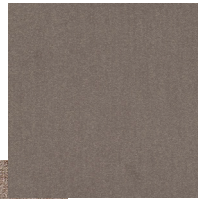

VELVET& 130

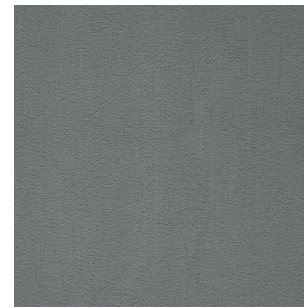

**VELVET&**  
Velvet& employs a texturing technique that imparts a slightly sheared or uneven appearance to the fabric tips, providing a textured foundation that blends dull and bright yarns. If you're eager to fully express your creativity, opting for Velvet& as the canvas for your prints is the ideal choice.

CAMBRIDGE& 181

PROMINENT 38

**CAMBRIDGE&**  
The cut pile of Cambridge& presents a velvety surface, ideal for showcasing your personalised designs. If you seek a plush and cosy foundation for your distinct creations, Cambridge& provides the perfect solution.

**FIRST FORWARD**  
As a 1/10 loop pile carpet tile, First Forward serves as an optimal canvas for your prints. Its outstanding quality guarantees precise print accuracy and vibrant colours, making it the ideal foundation to showcase your design with perfection.

# STREAMLINED PRODUCTION

## Your Custom Carpet Design Journey

Our custom design service upholds a seamless production process, from choosing your design, to choosing the right base tile and implementation. Once you and our design team have decided on every aspect of the carpet design, you can expect a printed sample. Upon approval, your order, will be swiftly processed.

Polder 901

Polder 965

## Timelines

A printed sample within 10 working days after approval.

Upon approval, your order, up to 500m<sup>2</sup>, will be processed in a mere 15 working days.

Standard tiles: Timelines are tailored for the four fundamental tiles in the designated colours within our program.

Custom: Opting for alternative colours or exceeding the 500m<sup>2</sup> threshold? Your lead time is on request, ensuring every detail aligns with your unique vision.

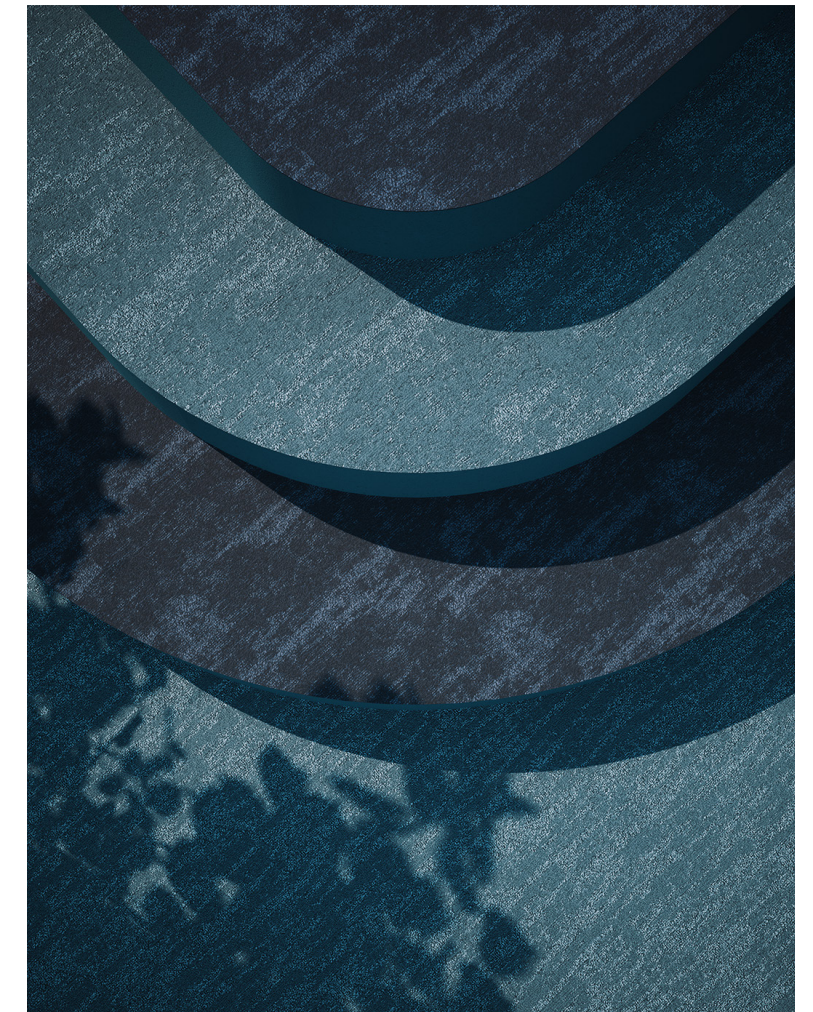

## Good to Know

Backing: our custom design tiles come with a **back2back-** backing.

MOQ: 1 box (5m<sup>2</sup>)

Please note that when opting for colour blocking, you have the option to incorporate a **maximum of 8 colours** on a single tile.

Rest assured with our comprehensive **15-year warranty**, ensuring peace of mind and long-lasting satisfaction.

Break free from conformity, shatter mediocrity's walls, and let bespoke flooring showcase the transformative power within interior spaces.
